Item# 519 Foto Facial & Derma Leveling at Le Bella Salon & Medspa

Foto Facial is a new non-ablative technique, using intensive pulsed light (IPL) that does not damage the skin's surface. IPL improves the skin and is used to treat fine lines, wrinkles, and age spots. Derma Leveling is a skin rejuvenation treatment. By removing the outer layer of dead cells, skin is left smooth, supple, and vibrant. Le Bella is located at 10253 N. Scottsdale Road. Certificate expires July 30, 2010.
