Silent Auction, Fund-a-Need and Harley Davidson Raffle

“Noche de Oro”

Welcome to the 40th annual Night of Gold Ball benefiting the John C. Lincoln Health Network. As Co-Chairwomen of the Special Events Committee, it is with great pleasure that we offer you a fabulous evening of entertainment and gifts. From traditional wine and dining packages to amazing jewelry and an exclusive Harley-Davidson raffle, there is something for everyone.

We will also be presenting to you this year’s Fund-a-Need Program, the Breast Health and Research Center opening this summer at the John C. Lincoln Deer Valley Campus. This state-of-the-art, spa-like specialty center will offer digital mammography read by Radiologists who specialize in breast health, interventional procedures and comprehensive coordinated care. Through your generosity tonight we hope to raise funds for support services and support groups for patients and their families battling Breast Cancer.

We are honored to have chaired this year’s special event and would like to express gratitude to our committee members, fellow Guild members, and generous donors. Thank you all for joining us on this special evening. Through your spirit of giving, the 2009 Night of Gold Ball will be a success and will touch many people’s lives in our community.

Sincerely,
